Coach Pitch/T-Ball League Rules

1. The Coach Pitch/T-Ball league of Medina Youth Baseball Association, Inc. (MYBA) is for Medina area boys and girls whose birthdates are between the designated dates listed on the annual Official MYBA registration form.
2. Coach Pitch/T-Ball League will play on fields at A.I. Root Middle School, Heritage Elementary, Blake Elementary, Ella Canavan, and Reagan Park.
3. All games shall be immediately suspended at any sight of lightning by MYBA officials and Coaches. Coaches and players must exit the playing field. Lightning sightings suspend game restart by 30 minute, (with the game time ending per the original start time restrictions).
4. The Head Coach of the home team is responsible for contacting the commissioner regarding any uncompleted games due to weather. The commissioner will contact the scheduler for rescheduling games.
5. Each Head Coach must ensure that all players have been picked up after the conclusion of each game. Parents must always ensure that arrangements to pick up their children have been made, in case of personal scheduling conflicts.
6. Each child needs to have a parent or an adult present at all practices and games.
7. Coach Pitch/T-ball teams will use batting tee's that are located in the jo-box. Coaches will pitch to players initially prior to the use of tees: this will help train players for hitting a live ball. Coaches will pitch from their knee(s) at 25 ft.
8. Each jo-box will be equipped with helmets, one set of throw down bases, two bats and a batting tee. A First Aid Kit is also included in the jo-box.
9. Each game will consist of four innings and last no longer than one hour. No inning may begin within five minutes of the end of the one-hour time limit. Both coaches should agree upon the start time of the game. That time will determine the time frame of the game.
10. Each inning will consist of every player on the offensive team batting once. No player may bat more than one time in an inning.
11. There will be no score keeping for any games played in the Coach Pitch/T-Ball league.
12. Players should be in uniform but consideration should be taken for lost hats. If a player has registered after the league deadline, he/she may not have received a jersey in time for the first few games. The player should wear a T-shirt in the color of the team uniform if he has one available.
13. Players will not wear earrings, finger rings, watches or any other form of jewelry (seen or unseen) while on the playing field, in dugouts, or during practices or games. No bracelets or necklaces are allowed unless it's for medical reasons only.
14. No players will wear sunglasses unless they are prescription glasses.
15. Every player shall be entered in the batting order. There shall be no changes to the batting order once the game has begun, unless a change is required due to injury or illness occurring to a player. Late arriving players may be added to the bottom of the line-up.
16. Coach Pitch/T-Ball will use all players on defense: a first baseman, a second baseman, a shortstop, a third baseman, one player at pitcher but only to field, and all the other players in the outfield. The catcher's position shall be un-occupied.
17. An emphasis will be placed on players learning to stay in their assigned defensive area during each play.

18. Coaches can place themselves throughout the playing field to assist with helping players learn the basic skills of baseball. Coaches are not permitted to touch the ball while the ball is in play.
19. Each coach will pitch to his/her team.
20. Each batter will receive a maximum of FIVE OVERHAND PITCHES. If the batter has not hit the pitched ball, the tee will be used. When hitting off the tee the batter is allowed to swing until the ball is hit into fair territory.
21. There are no walks or strikeouts.
22. Each batter has a possibility of a ground rule double if hit to the outfield. No runner/batter will advance more than 2 bases. Once the ball is thrown into the infield the play and any advancement of the runner's is stopped. The infield is being described as between the actual bases. The only exemption of this rule is the last batter of every inning; they can hit a homerun to clear the bases.
23. There are no outs in Coach/T-Ball. However, if an offensive player is out by the "normal rules" of baseball, that player will be sent back to his/her bench by his/her Coach. The offensive head coach will make the final decision, if the player is technically out. This rule is to help the players understand that there are "outs" in baseball, which will help prepare them for Farm 7-8.
24. There shall be NO LEAD-OFFS, STEALING or BUNTING IN T-Ball.
25. Players should avoid contact at all times when base running. Head-first sliding is not allowed and players are not required to slide.
26. Each Coach Pitch/T-Ball team will have a Bench Coach. The bench coach will assist with the batting order and field positions and help maintain bench discipline.
27. All players will play every position during the season. All Players must rotate between the infield and outfield positions every 2 innings. Playing time throughout the season should be even for all players.
28. All batters and base runners are required to wear a batting helmet.
29. Players and coaches may not wear metal spikes.
30. Any player who purposely throws any piece of equipment should be given a verbal warning. If the player commits a second offense, he/she must sit out the next two innings. If the offense is at the end of a game, that suspension will be enforced at the beginning of the next scheduled game.
31. No player is permitted to berate or use any verbal sounds to disturb the opposing player, coach, parent or person. This type of behavior shall be grounds for immediate removal from the field.
32. If a coach, player, parent or person has been removed from a game, the MYBA Board approval may be required before that individual is permitted to attend or be involved with a game. Head coaches must report all occurrences to the League Commissioner.
33. Players are not allowed to swing a bat unless they are on the on deck circle. This is to prevent injury in the bench or dugout area.
34. All MYBA Coaches are required to get a designated background check. No parent or coach may be in the dugout, coaching, or running a practice without the back ground check being sub-mitted and approved by MYBA.
